### **Semesters**

The preschool program offered at Allendale Christian School is a 34-week program, which is divided into two semesters.

### **Immunizations**

Preschool students must be up to date on their immunizations by the start of school. Any student who fails to meet the immunization requirements or have a valid waiver will not be allowed to start preschool until the information is turned into the school office. The Health Appraisal form is due July 15.

### **Allergies**

If your child has allergies that will affect the classroom atmosphere, please speak with the preschool teacher before final enrollment. In addition, we ask for something in writing from your child's Physician in regards to our child's specific allergy/allergies.

### **Nut Free Policy**

We have a policy that all peanuts, peanut products, or products containing traces of peanuts or tree nuts may not be brought into our school.

### **Potty Training**

All children must be fully potty-trained in order to attend ACS preschool. Children must be able to independently take care of their bathroom needs. Pull-ups are NOT an option.

- I understand that enrollment is accepted first from current ACS families and then others on a first-come basis.
- We promise to pay our tuition as stated unless other arrangements have been agreed upon.
- I agree to be as active in my child's preschool experience as I am able.
